

My name is Chuck Picerni Jr,

The purpose of my letter is to address an issue about Eliza Dushku's false claim against Joel Kramer being at the True Lies Red Carpet Premier in Westwood CA on July 12 1994.

I have been a Stunt Coordinator/2nd Unit director on major films for the last 20+ years. The 2nd purpose of this letter is to confirm that my friend Joel J Kramer was working for me as a Stunt driver performing with a plethora of other stunt drivers executing a huge car chase on a film titled "Just Cause" starring Sean Connery. Filming of this sequence entirely took place in Miami Florida for just over 2+ weeks of all night location shooting during the first 2-3 week of July 1994.
