I am writing this letter for Joel Kramer in reference to a situation I was made aware of while speaking to a mutual friend whom worked alongside us all for months on "True Lies". Upon hearing of the allegations made against Joel Kramer by Ms. Dushku I mentioned in our conversation that it was odd, because I remembered a completely different scenario of occurrences during filming and at meal periods on set. I was on set as a utility stunt performer working for Joel as he was the Stunt Coordinator on said production.

At the time I thought it awkward and inappropriate for a young girl (at the time I perceived Ms. Dushku to be 15 yrs. old) to be unchaperoned or supervised by a parent or guardian. It also struck me as odd that such a young girl would be behaving in the manner she was. On more than one occasion Ms. Dushku would attempt to sit on the laps of the various stuntmen in the immediate area, only to be quickly removed by each man, as it was evident of clearly inappropriate actions by her.

My only interaction with Ms. Dushku was during filming as I portrayed the terrorist that shot at her after stealing the nuclear warhead key.

I am writing this letter on behalf of Joel as I found him to be a courteous and professional supervisor and co-worker. Never once during the months I was on set did I witness any inappropriate behavior towards Ms. Dushku or anyone else.

If at any time, there are any questions regarding this matter please feel free to contact me.

Sincerely

J.M. Bernal
